

The Pre-Employment Mentorship program offers Government Assisted Refugees and Privately Sponsored Refugees the opportunity to be matched with pre-screened mentors living in the Windsor and Essex County area.

The pairing is mutually beneficial in that both parties will be engaged in an exchange of the Canadian workplace culture. The Program participants will volunteer for a period of 4-6 hours per month for a suggested period of four months.

MENTORSHIP is...

A matching program designed to:

- Provide guidance by mentors who will share their insight, expertise and professional experience about their employment while providing encouragement.
