

Cultural Competency Training

Through the Multicultural Council of Windsor and Essex County

Embracing our mission of creating a welcoming community for all through education, community engagement, and the promotion of diversity and equality, the MCC is proud to offer comprehensive cultural competency training to our community partners and agencies.

Our trained and experienced staff can guide your organization through a number of essential topics and modules including;

- Diversity in the Workplace
- Fostering Awareness
- Perspectives and Culture
- Harmony as Practice
- Encouraging a Welcoming Environment
- Communicating Across Cultures

Our workshops are designed to be engaging and informative, providing real-world relevance and immediate application.

Session curriculum can be tailored to fit your needs, and can address both general interests and specific concerns, and both large and small groups can be accommodated for full or half day sessions.

Contact the MCC today to discuss pricing and see how we can meet the needs of your organization. Join us in creating a welcoming community for all.
